CR-42 Roofing License is needed!

Business Description:

Profitable roofing company in beautiful Northern Arizona is available. In business for 20+ years with minimal advertising including only a basic website. It is set for strong growth, especially if you have Marketing experience.

Jobs already booked with deposits to keep you busy on day one. Provide Commercial, Industrial and Residential services. ***Small construction business also available.

The owner's primary duties are to oversee the operation of the business, quote jobs, order materials, customer service and of course help when needed. The business runs with a superintendent and a well-qualified office manager as the owner travels

Year-round business, however, slower in winter-time. Do you have a roofing company in Phoenix? Trained employees and work in a new market await your expertise! Keep your Phoenix employees busy in the summer with Northern AZ projects.

Is it time for your own company in AZ? This is a golden opportunity for you

ONLY reason this business is for sale and significantly under market value is due to Owner's desire to move and pursue dream career as a pilot.
